## ... the key to the French heart

"Lord, is it possible that You would fashion **a key**, using us, as artists and neglected descendants of France, to unlock the lock that has imprisoned the heart and mind of the French in a 300 year old web of un-belief?"

"Let us in" is the cry of our hearts.

## What is La Clef ?

\ la klay \, n. French for **the key**.

**La Clef** is a ministry based in North America that uses the arts and French descendants to minister to a French-speaking world that, at its core, has been alienated from the gospel of Christ for over 300 years.

Our prayer is that the Lord would use our historical connection to France and our artistic expression as a tool to connect us to the French-speaking heart in order that we might share the hope that we have in Him.

Based in **Charlotte** (administered through Steele Creek Church of Charlotte) and **Montréal**, **La Clef** helps to mobilize musicians and interns to serve in our outreach projects in **Québec** and **France**.

## Our Internship Program

Since August 2003 **La Clef** has worked with **Jeunesse Pour Christ Montréal (YFC)** in developing an internship program, which introduces and develops potential long- term commitments to French-speaking culture.

## Our Missionaries

- **Brendan Hardee** (age 22) – Recently married to a proud Québécoise, Caroline Prefontaine, Brendan is furthering La Clef's artistic outreach in Montréal's French-only territories.
- **Frankie Martínez** (age 20) – Using his art as a tool, Frankie is increasingly challenged to make a bi-lingual commitment to Montréal's inner-city homeless community.

## Our projects

- **Montréal Winter Conferences** – Pray for our frigid February visits as we take Jesus behind some of Québec's "secret doors".
- **France 2006** – Once again we hope to take our "story of hope" to some of the most neglected and lowly of France's spiritual prisoners.
